My dear Mrs Adams -

Many thanks for
 your last most kind letter - I hope
 by this time Mrs George is safe in
San Pedro & all things well - I was
 much disappointed but to see her
 get safe in the Spring you
 may hope to come to some
 which will be a great blessing
 to me - Augustus appears quite
settled & comfortable at Faymore
 she passed one morning with
 me last week - I go to see
 the 3^d of Jan^r for a fortnight
 which is a great pleasure to

me - I find them me off in
 together to Dudley & the last
 accounts of ~~Young Lady~~ ~~Belong~~
 in that she was to undergo
 a small operation in
 her face I was moved to
 Paris for to be under
 medical care - Belong has
 just paid into that at
 is impossible for her to come
 to England - I suppose you
 have seen of ~~Belong's~~ ~~letter~~
 Give my love to your & thank
 the two other boys - are
 turning out so well & the

I am going to see - the matter
 is quite lively & I am enjoying
 it of all things. During the
 day while planning every day &
 for the last fortnight there
 in much better health than
 I have been in ages - I hope
 it may suit - I had helped
 sail planned was here under
 with me - I am quite
 in spirits about myself -
 God bless you & all
 Yours
 Henry
