My dear Mr Adams

Many thanks for your  
kind letter I was quite  
delighted to see your kind  
wishes & hope as the Spring  
advances you will regain  
your strength - As to my  
self this last week I have  
hardly been out the wind  
has been so cold & my  
coughs, but I am  
afraid now I shall get  
better by degrees - I am still  
cured up & some times  
The Duke has been so cold  
hot as before - I am to be  
in soon to day for a

General - but returns to  
America by ship to the  
Hague -
