I think my dear Mrs  
 can you judge quite  
 easily & prudently in  
 the subject of the Dedication  
Dedication - all your  
 measures are sensible  
 & good - I leave you  
 at ease to make for  
 my meaning the  
 subject but the  
 matter to be of use to  
 some & may often  
 the our necessity of  
 a fund has some  
 necessity there good

which would have been  
 the case in this  
 instance of your  
 purchase had not  
 intervened. I rejoice  
 Dolley is getting better  
 & I hope your plantation  
 will protect some  
 family being stay at  
 the office & evening

proving matter

I am sure your ready  
participation in our  
 joy at the formation

these things are taking  
 an interest to our  
 dear Father's health  
 His life is so dear & so  
 my passions to us  
 all that I hope we  
 God it will ever be  
stead to us for a  
 few years longer -

Yours affectionately  
 Mary
