I venture to ask you a

 be might perhaps direct me
 to some place in the City - I
 feel sure that if you were
 not with me you will
 forgive me for troubling you
 in the subject - I hope you
 will have enjoyed your
 Holydays this Summer - I have

knowle your Father & Mother & I were
was delighted to find them so well
& your Sister recovered from her illness
I have been off & on ill ever since
with the Measles in very short &
the 1st of August about now - I am
better to day but require care
& shall be glad to be in some
great measure to be near you
at Holford - We go for you the 11th
