My dear Mr Adams —  
 Many thanks for two  
 kind letters by which I am  
 to find I am in your  
will now & that I shall  
take care of myself & likewise  
 am very happy you have  
 had letters from George —  
 I sent my letter & Packet  
 to William therefore I  
 hope he will get it some  
 time or other — Good  
 glorious news on our  
 side quite well with it  
 nothing ever was so

fine looking voyage.  
 we could not afford  
 I hope we are <sup>all</sup> grateful enough  
 to Providence for his  
 wonderful protection  
 of this little Island &  
 all that belongs to it  
 We give thanks to all  
 this sort of good news  
 glorious for the printing  
 in the evening of our  
 cause  
 being to promote individuals  
 who bear the misfortune  
 of coming across

still at the L. H. when we  
got into the house in about  
three weeks - by all  
accounts it is a very fine  
small house in Hill  
Street -  
Guliff  
Mey

Kind regards to Mr Adams  
and to Mrs Adams
