

Woodgate Inn
 Nov 4 1809
 We arrived at this place
 by half past 5 o'clock. My
 dear Mr. Adams - We
 went to bed immediately
 much fatigued having
 passed a day of great pain
 in the side & fainting
 almost constantly but
 I hope says it has
 gone off well as well
 as we could expect
 in her delicate state
 Health & we might be
 in a little further than
 Lady George's case
 & we hope she will
 be recovered by this

should not go on to know
