

My dear love to your  
 Daughters & I believe  
 are quite happy  
 Monday Feb 19<sup>th</sup>  
 York in letter —

Feb 19 1810

My dear Mr Adams  
 In my thanks for your  
 kind letter received yesterday  
 which I had an opportunity  
 of showing to the Queen  
 till today & she desires  
 you to return your  
 kindest sincere thanks  
 for your very pleasing  
 offer which she says  
 at this moment she  
 will not accept of, but  
 should your Majesty  
 be obliged to leave  
 America she there  
 really should be  
 very much obliged to

My kind love to your  
 Daughters & believe  
 me your affection  
 is only let by the 19<sup>th</sup>  
 before is better —

You as she does not  
 know any body she  
 would ~~not~~ like  
 as much to be with  
 Auntie as yourself —  
 As I have Mrs Williams  
 has no idea of leaving  
 Auntie for the next  
 six weeks you may  
 make her mind  
 perfectly easy that  
 if called upon ~~there~~  
 it will not be to her  
 I carried your kind  
 offer to Auntie who  
 says she to express her  
 kindly she takes it

& you happy she should  
 be to see you ~~at~~  
 and think that I have  
 given you the Queen's  
 purpose as well as Auntie's  
 but we thank you  
 from very ~~heart~~ &  
 soul for your aff<sup>l</sup>  
 kindness, towards me  
 as I never can enough  
 say how grateful  
 I feel to you for  
 as immediately answering  
 me so just as I could  
 wish in the outfit  
 & we much can say  
 how I long to see  
 you & what joy it  
 will be to me to hear

you in the Queen's entire  
I hope similar is not  
some more I wrote last  
we they are come find  
& gave us hope she  
was if any thing would  
help all them the last  
time they can see  
They are taking away  
The lot in the side  
by degrees & giving  
her volunt orders  
of medicines which  
certainly is for  
as it has gone  
reference to some  
other time any  
plan but —
