

Miss Elizabeth Nov. 3 1810

My dear Mrs Adams.

I am sensible the painful
necessity of informing
you of the death of our
poor dear old Constance.
My heart breaks for
Augusta we live in sad
melancholy times & I
only hope your affection
will be directed to
our beloved Mary &
our dear departed ^{with my regards} ~~Constance~~
Dear Mary is successful
I truly think she is as
perfect as perfect can be
Yours
