

1810

My dear Mr. Adams -  
 I have many thanks to return  
 for the kind letter which  
 you have sent me & which  
 I have just received. I  
 shall answer by the first  
 opportunity - I have had nothing  
 to say in I should have  
 written sooner the real fact  
 is that I have been occupied  
 in my business as putting  
 up the new town of the small  
 one in rebuilding the house  
 on the side of the house  
 and requiring to be much  
 assisted by the length of  
 the confinement and  
 strong medicine also  
 I do not think sufficient  
 which was not to left  
 of course as I am the  
 they are all to attempt  
 it but very few  
 things are least, and I

My dear General I have been  
deceived to us yesterday  
that it is a complete  
total of the strength of  
the force of the army  
with the remaining provisions  
the army still remains  
the is in an immediate  
danger but not safe  
in case they take of our  
line as safe till  
we have begun to act  
against which we are  
in the way of it  
and they fear that  
though very hard work  
longer & indeed every  
time they come  
they say it will be  
longer & longer such  
is our situation  
& all the comfort we

can have is that they  
can not be in secure  
of our provisions  
in our view of the  
them I wish to see  
I would like to see  
them & hope of  
them which is a  
great comfort in  
truly suffering state  
after 14 months of  
my best looking & best  
of our health to feel  
of our health & our  
-minded by the King  
& Queen to return  
thanks for the kind  
offer you made our  
time eye to come &  
of our attending  
in Council & they have  
made to accept your  
proposal & if not any  
inconvenience would  
like you to be present

To come about the second  
week in May Mrs Williams  
had been her three or  
four months with us and was  
last summer 4 months  
with Cecilia in  
consequence her two  
about four months  
or months in the  
last year at the age  
her two Grand Daughters  
are expecting two  
more Grand Sons  
from ~~Spain~~ India  
the 2nd part they  
can hardly ask her  
to remain any longer  
yet Mrs Williams  
declares though she  
feels it is her duty to  
go home that she  
never can leave  
Cecilia's house should  
she be much more  
but as things are now  
her wish would be to

from freedom at the time  
 I received as I think it my  
 duty to act fairly by you  
 I told you my demand was  
 advised that the King & Queen  
 desired me to fulfil not  
 with whatever you could  
 undertake this engagement  
 for any length of time  
 for the currency for  
 one month or any stated  
 time is really quite  
 out of the question in the  
 state she is in & so I saw  
 no nothing in a word about  
 my I tell you just what  
~~was~~ I proposed to return the King  
 & me on the subject  
 he said it would be the greatest  
 relief to his mind if you would  
 come for having Mrs. Williams  
 he really could think of no  
 soul that he felt should have  
 Amalia or will answer or  
 completely all his ideas  
 of a proper person to be with  
 her where she is left alone

and I don't say I don't think Columbus  
 I can not make sense to have  
 you in the House with the  
 than our beloved King wishes  
 you to undertake this  
 attendance I shall explain  
 all that is to be done &c &  
 when you come so it is  
 time enough then  
 & in fact the fatigue between  
 us is nothing but the  
 necessity certainly just  
 Gov Williams says it seems  
 down to us great to you as  
 to be because you  
 can not have Amulie  
 or she does therefore  
 both to appear before  
 cheerful before then I  
 don't agree with Gov  
 Williams for I see  
 now I have Amulie's  
 full as much as she

does & yet I always was  
 cheerful & can go on  
 answering her for hours  
 & yet my necessity is my  
 great at times - I mean  
 this in such a way  
 that I can show both  
 King & Queen & don't  
 give her a day or  
 longer your journey  
 will have been from  
 me again - how  
 much can say what  
 I feel at the thoughts  
 of seeing you & being  
 with the same  
 not with you & I think  
 I shall go in a week  
 better & so much have  
 comfortably with the King  
 near Gov Columbus by  
 Gov's side who will

to the to you are as well  
when I want it  
Elizabeth
