To encourage the removal of goods in cases of Fire, this office will allow the reasonable charges attending the same; and makes good the sufferer's loss, whether destroyed, lost or damaged by such removal.

This OFFICE Insures for any number of years, not exceeding Seven, and will allow after the rate of 2l. 10s. per cent. per annum discount, according to the number of years the parties are inclined to insure for.

N. B.—Whereas all Persons Insuring Houses or Goods from Fire in this Office are to pay in their respective Insurances and Duty within fifteen Days after every Quarter-Day that they become due, or otherwise are to have no Benefit from their Policies: And whereas for the greater Ease and Accommodation of the Insured in and about the Cities of London and Westminster, several Persons are appointed to call at their Houses to receive the said Insurance and Duty, or to remind them of the Payment thereof. But the Managers of the said Office having found, that from this Practice many of the Insured do apprehend, that if the said Receivers neglect to call on, and personally demand from them their respective Insurances and Duty within the said fifteen Days after every Quarter-Day, that they are still to have the Benefit of their Policies, though such Insurances and Duty have not been paid by them. THEREFORE, to prevent the like Mistakes for the future, this is to give Notice, that, unless such Insured do, within fifteen Days next after every Quarter-Day that they become due, either pay their respective Insurances and Duty into the said Office, where proper Persons daily attend to receive the same, or to the said Receivers, they will, according to the printed Proposals of the said Office, be excluded any Benefit therefrom.
