My dear Miss Fitching

I hasten to return to you
many thanks for the kind
letter I had this morning the
pleasure of receiving from you, by
which I am very glad to find
that the Game arrived safe &
proved acceptable.

I very much regret not having had
the satisfaction of seeing you last
year, but I trust this year I shall
be more fortunate & be indemnified
for the misfortune of the last
The Duchess I am happy to

say is infinitely better & I hope in
two or three days she will be quite
well. We shall I think settle in
Down on Friday evening the 17th.

I wish you could have given me
a better account of your own Health

The Honour of Lewis certainly did
it's duty & I trust he ever shall
be sworn on the 8th of October
the Constitution of the Country! We
have given the Nation Time to
reflect & to see the Principles w^{ch}
Ministers had led the Empire
They have firmly believe reflected,
and the State of Things is much

improved of late & our Prospects
infinitely more cheery

Have the goodness to say Every thing
must merit from me to your sister
& to believe me ever

My dear Miss Scidling with perfect
Truth your very faithful friend
A Servant

William Frederick
