

My dear Mrs Hunt,

A thousand thanks to you for your very kind letter, and valuable present. I have read some of the Poems and like them extremely, particularly the story of Louisa, which is very affecting, and one I shall never forget.

I am very sorry that M^{rs} Bowdler has been ill, but
am

happy to hear she is got well again;
remember me kindly to her.

Believe me to be,
Your ever Aff.^{te}
Charlotte.
