My Dear Miss Hunt

Your congratulations on my birth day
 certainly do not think as being too
 great a liberty with me and your part
 on the contrary I feel much obliged
 to you for your attention & wishes
 You say I am thinking for your
 good wishes - I felt particularly
 pleased to find that the wishes
 set out for so many years ago
 have not yet been the beginning
 that formerly subsisted between
 us - From your having changed
 to later it is no proof of want of
 health, & that the winter which
 of winter has produced the disease
