Pavilion Brighton

My Dear Madam -

I hasten to return My best Thanks
to you for the very obliging letter
on the occasion of my Birthday -
I should ere this have answered it but
from the many occupations & inter-
-ptions to my time which has thus
unfortunately prevented me from doing
what I wished - This being

pleasing to think that still after
so many years have elapsed since
I had the pleasure of seeing you
you still are so an interest as
comes in this way to repeat
these expressions to me -
Yours truly
G. H. D. G.

glad to have so soon an opportunity
afforded me by Lady & Miss to the
of having testimony to my continued
service of your & your's & should
these offers (at some future time)
be means for our well being (as that
it is possible for me to avoid
of it) you may rest assured I shall
be it willing by the means to be
from your & the I am bound to think
it should be too happy to see -

Believe me to be,

My Dear Madam

Yours sincere

friend

Thos. Corbett
