I send you my dear Clayton
 the letter of Lady Portland
 I found Amely yesterday
 much oppressed, it is that
 which makes me wish
 for the season. I beg you
 to speak to your friend
 & to let me know what
 He judges proper to do
 if He approves that I
 sh^d have her carry'd
 into the garden to
 morrow in the morning
 adieu, I beg I may have
 your answer to morrow
 in good time

Caroline.
