The affair of y^e Letter has made a
fine Topic for the rooms & tea-
tables at — & no little addition
has been made, & you & Miss C
appears together at that place in
vase — I will endeavour to procure
you a sight of this production —

"Come along Sophia said the P^r
'& Sophia followed willingly'

I a Monting we will go see see a
Adie I ever was your friend & if you
are really mine you will indulge
me & be very merciful in every
thing concerning yourself
