

Tuesday, My Cousin by Marriage & her little Boy & our Uncle  
Frederick to Breakfast with me - My Uncle Mr. Teysser & myself  
went to Lewis's Museum. I am a Subscriber - spent an hour &  
1/2 much to my satisfaction for I have a passion for  
Natural History - I again played at Cards yesterday at  
of Queen House - their Majesties very gracious The King  
told me he had seen my Uncle Frederick at y<sup>e</sup>. Lewis's

He had  
seen of. King & Queen in y<sup>e</sup>. white Closet both very kind of -  
Queen gave me something <sup>to take</sup> for my Honourings & lent me a  
Box of her own to keep it in. &c &c

Went to Mrs Jacksons to dinner - she is Sister to Mrs A -  
Mr. Clarke - I know but little of him - she is very pleasing  
in her person, & has great right to be admired for beauty, her  
character is of. counterpart of her Sisters, but she more  
generally pleases because she is more animated &  
lively - I lay under equal if not greater obligations to  
her - & am certain I possess her affection in of. highest  
degree -
