

Forgive me Sir disappointing you for you  
probably expected an answer to day to your last,  
I had written one but committed it to the flames —  
The Prayers & the best & sincerest wishes of  
an honest heart & aff. friend are & will be  
Yours. —

O what wretches are those who lead you into vice  
& Folly & will you plunge into y<sup>e</sup> pit of destruction  
with your eyes open!
