Queen's House Dec. 15.<sup>th</sup>  
1770. 2. p. 36k

Lord North, I am extremely desirous of being informed what Mr. Francis has to communicate, and therefore shall be desirous of seeing you at any convenient time this evening, as I am able to hear but by a weakness in my breast am prevented from speaking. I should rather imagine Lord Weymouth will decline to be one at the conference.
