Lord Suffolk takes the liberty of laying before
Your Majesty an Inclosure which he has
this instant received from Lord Sandwich.
It contains a pleasing proof of the alacrity
and expedition with which Your Majesty's
orders wou'd have been, & will be, carried
into execution, if the disagreeable necessity
had exist'd, or shou'd happen.

Duke's. Westmⁿ.

April 27. 1772. ^{on} 22 p. 5. P. M.
