William's List is erroneous as to Major Mango Campbell.
In the General List of Majors, His Commission as
Major is Dated on 31 August 1770.

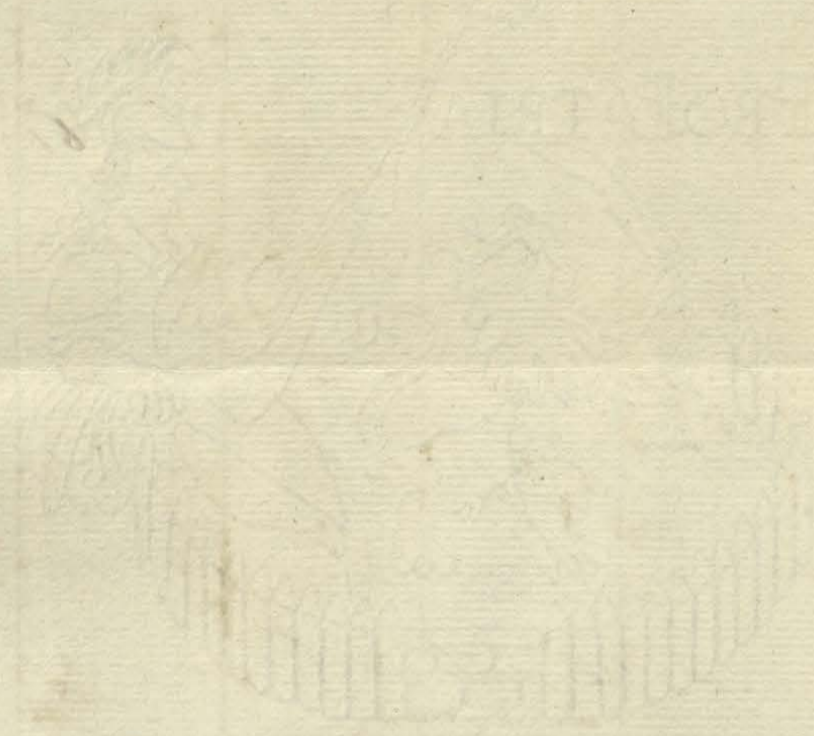

In the List of the 55th Regiment, His Majesty is
Dated on the 31st March 1770.

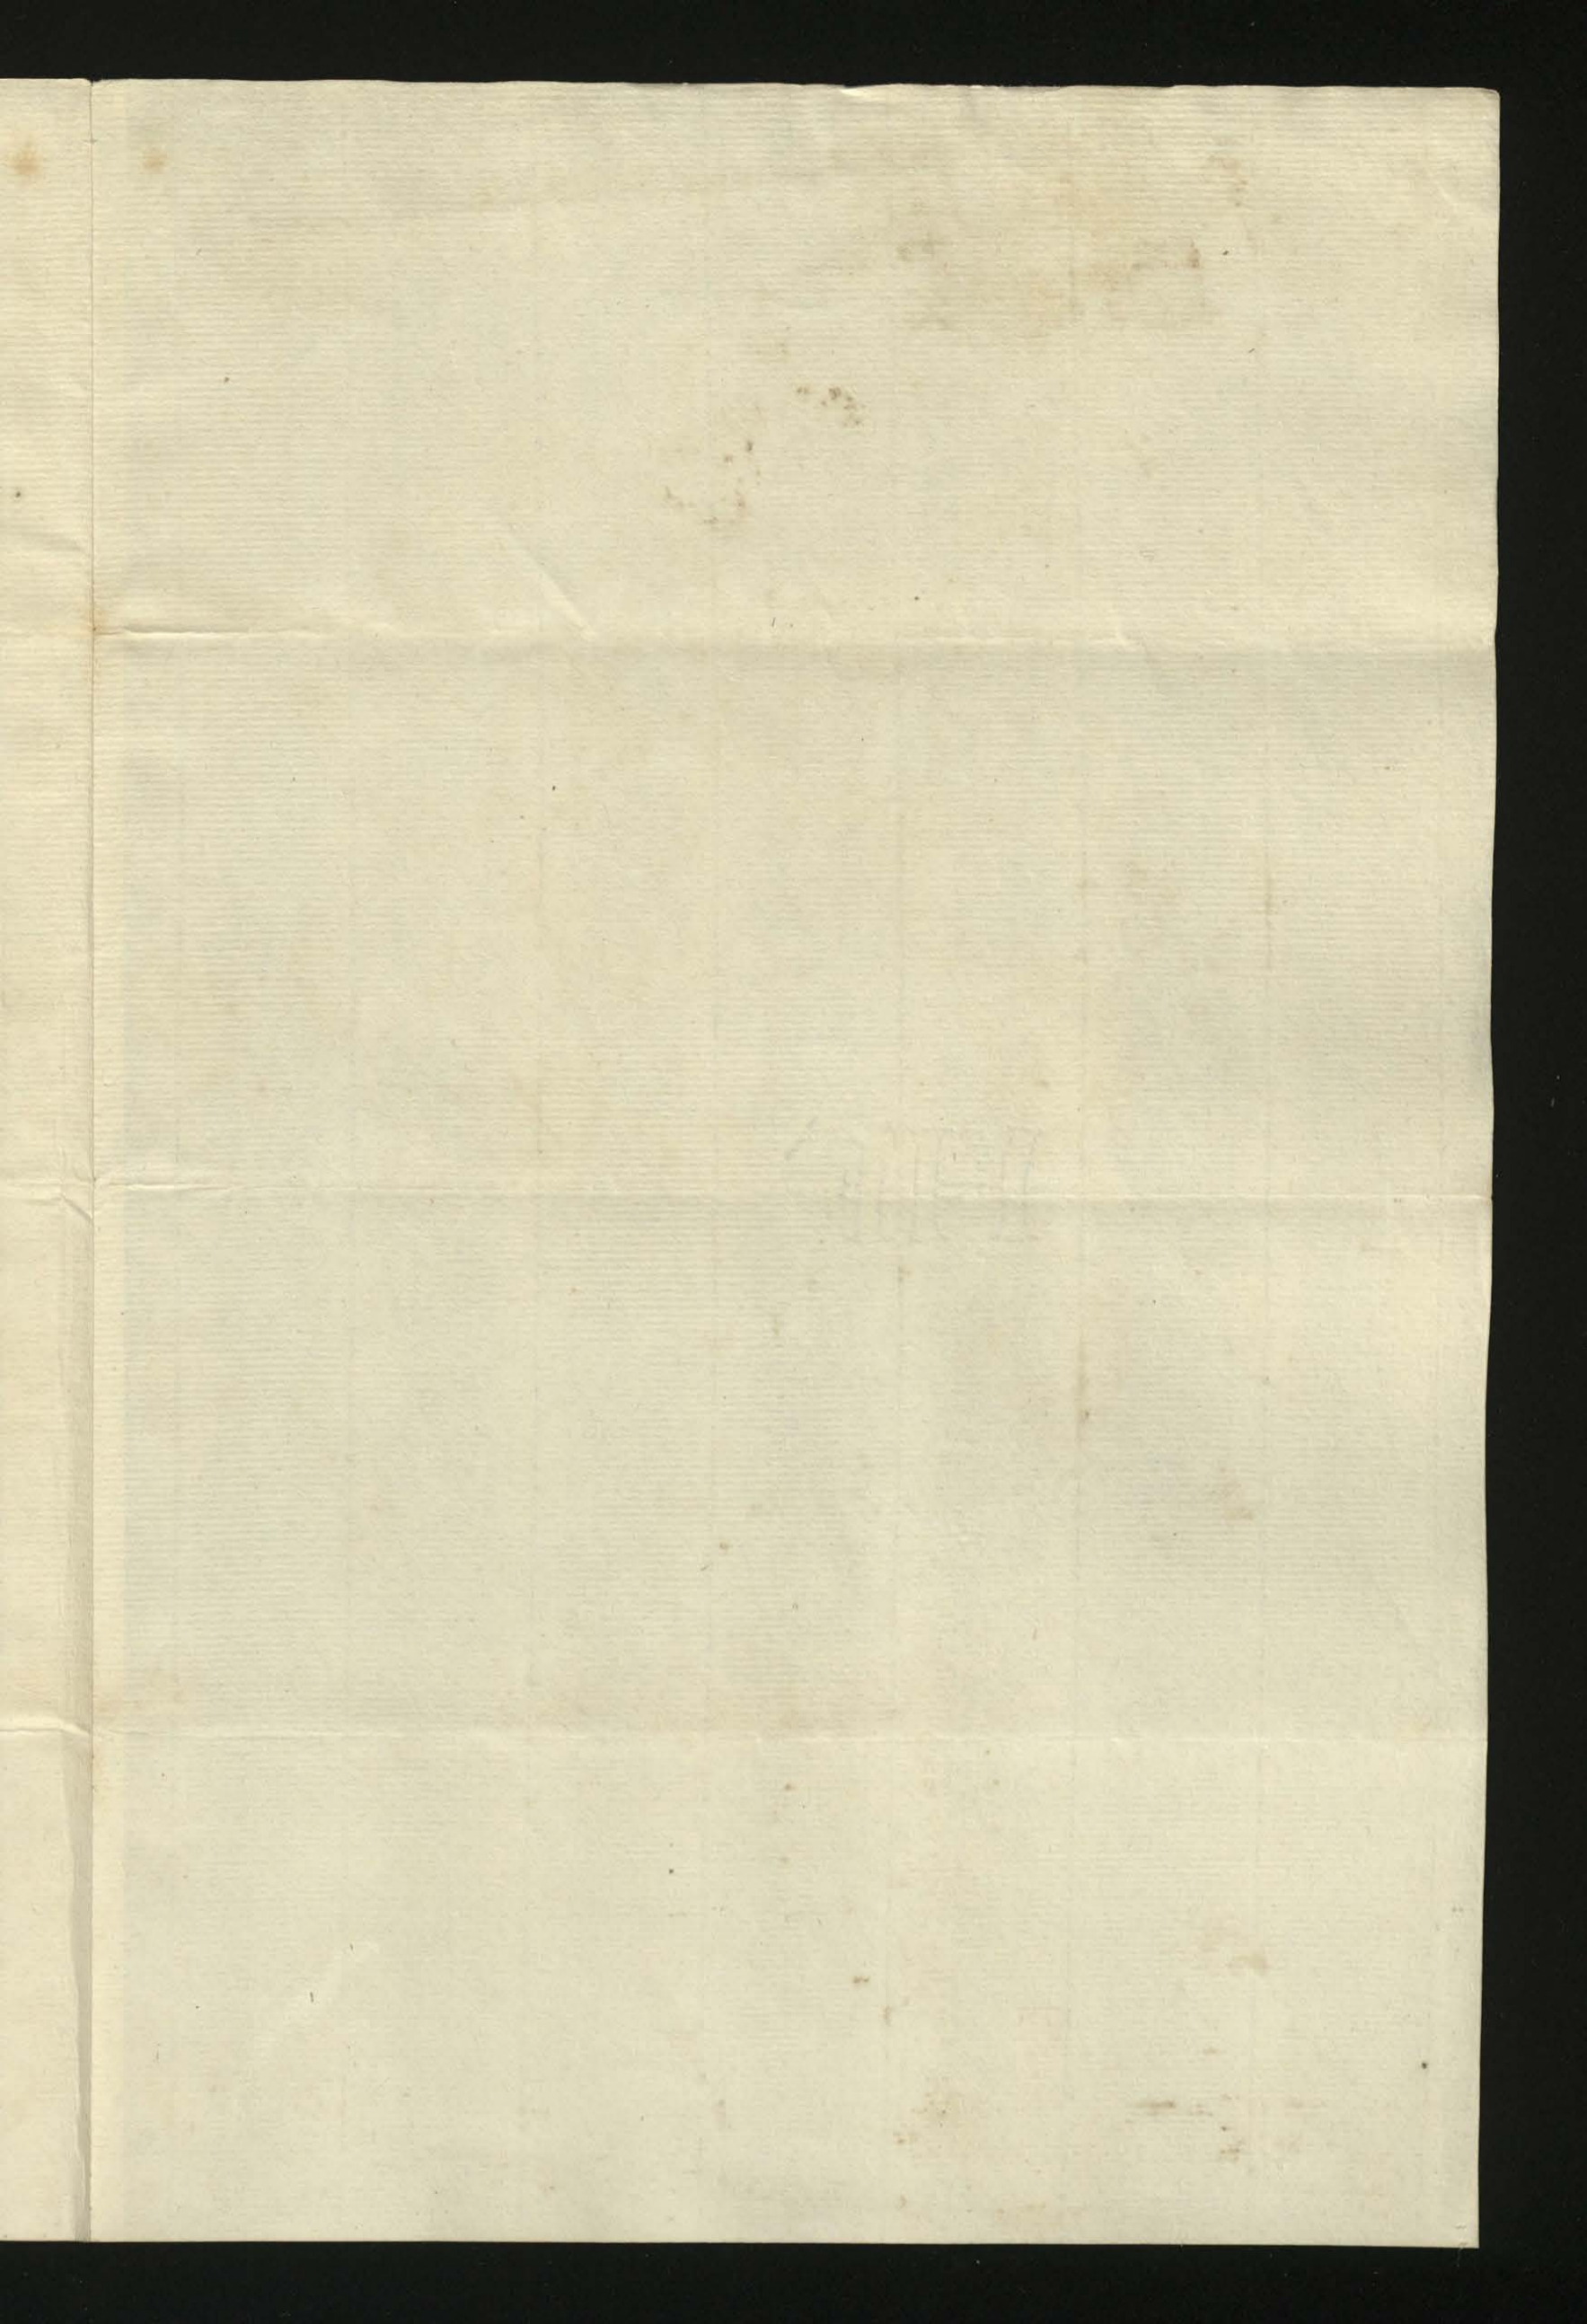

It is probable that the Right Date, is on the 31st of
August.

Major Snowland's Commission to the 57th is Dated also on the 31st
of August 1770 - and Major Williamson's to the 61st is prior
to Mango Campbell's, being on the 16th of August 1770 -

Your Majesty having Directed that a Half pay
Lieutenant Colonel should be put in, your Majesty
Williamson, there seems to be Justice that the
said Lieutenant may put in either a Half pay
Lieutenant Colonel, to the 57th or one of the Majors
who have the Rank of Lieutenant Colonel.

3rd March 1772.
