

Lord North

GEO/MAIN/

1527

? 1773, March - May.

Lord North has the honour of informing
his Majesty, that the Committee has come
through the India Regulation Bill, which
was reported tonight in order that it may
be printed with the alterations made in
the Committee. It is to be taken into considera-
-tion on Tuesday next, so that Lord North
hopes he can now venture to say with confi-
-dence that it will be sent to the
Lords in the course of next week.

Done at the 4th 11 o'clock P.M.

Ld

and with the view of improving
 the object, that the Committee has
 thought the best way to be taken
 was to report to the House of
 Commons with the intention of
 the same being taken into
 consideration and a Bill
 introduced in consequence
 of the same.
