The time when the Town is most
full is the end of January or beginning
of February, therefore there is still
time to send to my sisters in
Germany copies of the appraisement
of the Jewels that they may decide
whether they choose to keep them
that I may be obliged and to send
the appraisement to the
of the Jewels to which
is all appraisability they will
choose to keep

I have a copy of that of the
Jewels but should choose to have one
also of the Brackets.

The Keys of the Boxes I believe
that the brackets at the Bank
may be also appraised

I enclose the Lists signed by
Lord Rockford Lord North
and Mr. Chyren.

I will certainly take the
Inventory of Park House
and also that of Brunswick
but should choose to have a copy
of the Appraisement
