Sir

This moment I have received your Majesty's most
gracious letter which the Contents make me
so happy, that I am afraid it will be impossible
for me to express my Sentiments of
Gratitude upon paper as I could wish.

It will be certainly the most happy
moment for me, as well as my dear Charlotte

to have the honor and blessing to present
our respects to your Majesty at New.

I flatter myself your Majesty will be
convinced by my future conduct toward
your Majesty of my Gratitude and true
attachment, which shall never cease.
