My Dearest Sister,

I cannot suffer Monsieur de Montgoze
probably to quit this Country without making him the Owner of a
few Lines to express to you how sincerely I hope to receive satisfactory
Accounts of your Health and present Situation, and how anxious I
am for your Comfort under the present trying Circumstances.
I trust that you will be able to acquiesce, see that you have
remained quiet and undisturbed in the Residence which you
have chosen.

I am &c.

signed

George R.
