My Dearest Sister,

I have much pleasure in paying
immediate attention to the High respects in your
kind letter of the 17th that I should nominate a Trustee
for you in the Room of the late Lord Liverpool, and
I do not think I can recommend any more fit
Person than the Lord Chancellor, whose respectable
Character is so well known to you that I am assured
you will approve of him.

I am &c

Signed

George A.
