

Ld. Rochford

GEO/MAIN/1

Dec. 15 1773

1682

Ld. Rochford with the greatest humility hopes
your Majesty will forgive him troubling your Majesty
at this time, but he is too happy not to communicate
his joy. Booth is returned, Mr. Painsford is victorious
by a majority of 150 may the same success for ever
attend the true friends to your Majesty's Government.
