

Ld. Rochford
GEO/MAIN/

Dec. 17 1773

1683

Lord Rochford takes the Liberty to trouble your Majesty
with the inclosed Draught to Gen^l Prevost, which he humbly
hopes your Majesty will have the goodness to correct & return
it in the private Box. The Russian Fleet is arrived
& Lord Suffolk was oblig'd to see Mons^r Pouchin, which
Lord Rochford ^{finds} by Mr Eden was the reason Lord Suffolk
did not pay his court to your Majesty to day.
