My Dear Mr. McMahon.

I beg you will return
the rough papers - & to some
you trouble I send you a
Box to put them in:

I take it for granted that
it is the wish of H. M. to
have all papers for His
approval sent every Thursday
evening in the same manner
as
Col. McMahon

as has been usual in the
transmissions from hence to
His Majesty; If there is any
change ^{needed for} let us know.

Very^{ly} most truly
Yours
