My Lord

The enclosed is a note of  
military honors which the  
House Guards are disposed  
to pay to the memory of the  
Duke of Alburquerque - I  
have little doubt that G. Lts  
will think them sufficient,  
but if not, may I beg a  
line to that effect before  
12. Tomorrow. W Hamilton

(For reply see over & also H. H. H. H.  
Maj Gen. Turner Feb. 28)

I wish you to signify  
immediately to the  
Home Guards that I am  
perfectly satisfied with  
the military attendance  
appointed for the Duke  
of Albuquerque's funeral,  
I shall acquaint the  
Spanish Mission with  
it immediately, & I  
shall not encourage them  
in any further demands.

My D<sup>r</sup> General

I cannot tell you  
better Lord Wellington's  
opinion of the arrangements  
for next Saturday, than  
by enclosing you his  
answer to my note  
accompanying the Mem<sup>o</sup> which  
I received from you  
yours
