

S. Percival to H.R.H.

April 2 1811

17900 - 1

Mr. Percival presents his humble
duty to your Royal Highness, and acquaints
your Royal Highness that Mr. Whitbread
moved an address to your Royal Highness
that you would be graciously pleased to direct
that a copy of the Report of Her Majesty's
Council respecting the State of His Majesty's
Health should be laid before the House -

Mr. Percival stated that he was not
aware that there could be any objection
to the production of this Report, but that
His Royal Highness
the Duke's Report -

S. Percival to H.R.H.

April 8 1811

would prefer that instead of having the
motion made at the time, notice should be
given of an intention to move it, as it wants
to be more consistent with the delicacy that
Mr Percival thought belonged to the subject -
But he would not refuse his assent to the
motion, if it were persisted in, lest the ground
of his refusal might be misrepresented &
misunderstood - Mr Whitbread perceived
and the address to Gen Progel Bingham was
carried...

Gen Progel Bingham's message respecting
Portugal was presented and was referred
to the Committee of Supply to be taken into
consideration on Wednesday next -

17901 In Samuel Romiley's Petition for taking away
the Capital Punishment from several Felonies
were read a third time & passed -
