Levee

Earl of Macclesfield

17942

Sturbum Castle  
21<sup>st</sup> April

Sir

Observing that Notice is given  
in the Newspaper that H. H. H. the Prince  
Weynd will hold a Levee on Tuesday  
the 23<sup>d</sup> Instant. I will trouble you to  
present my humble Duty to His Royal  
Highness, and request he will dispense  
with my attendance upon that Occasion

as it is the Day of the Quarter Sessions  
at Oxford, when much Business of  
Importance to the County will come  
before the Magistrates.

I have directed the same number of  
the Yeomen Guard to attend, as at the  
last Levée.

I am  
your obedient

humble Servant

W. Macleod
