

Chas. Greenwood to Col. McCahon

Louisbourg
June 13, 1811.

My dear Macmahon

There are I believe two or three
Companies vacant in the Militia Regiments,
in which you are Agent, but the Colonels of them
are, as indeed are Militia Colonels in general
extremely particular when they admit into
their Regiments as Captains of Companies,
and make it a point that they should be English
and as I rather apprehend that the Friend for
whom you are interested is from your friends,
I should doubt the success of any application in
his favor.

I am with great truth & regard
Ever my dear Macmahon - Yours truly
Chas. Greenwood
