My Dear Mr McKahon

I send you a letter from
Pembroke which you will see was not
intended to be read by any one but me -
but as it expresses that proper gratitude
which he should feel towards the King
I wish you to know that he is not disagreeable
in that respect. When you have a
minute to spare pray tell me what prospect
Pembroke has of accomplishing an exchange -
My poor boy still continues sadly distressed
with his cough - etc. My Dear Mr McKahon
Most truly yours
H. C. Ferguson
