June 24. 1811.

My Dear General,

I am sorry to trouble you upon
the Subject of a Blue Box (one of
those marked "H. K. G. The Prince's
Report") which was sent to Carlton
House, last Friday Night, & which
Lord Wellerby, from what he had
understood J^r Col. M^r Nelson thought
the Prince's Report had been & had
returned to this Office. It has not however
yet made its appearance - Lord W^r

would be much obliged if you
could send it me, should it be
upon one of your Tables - as I
if G. H. Highup should not have
seen its contents, & I would
wish I have it back in order that
some other papers upon the same Subject
should be added to it.

Yours very truly
W. H. Smith
