

H. C. to H. C. North

June 8 1774

1836

(2)

Lord North, I have been agreeably surpris'd with your account of the conclusion of the Committee upon the Lueber Bill, and that it will be reported on Friday, considering that the Clauses to be examined this day were some of the most material, had not the fire been totally expended, the Debate must have lasted longer; I hope therefore no farther trouble will be given in the latter stages of this Bill
