

W. H. Hume

Enclosure.

August 5 1852

Duke Bedford promised me he would take
the ^{first} opportunity in his power to have Col. McMahon
appointed to some situation in exchange for his
Brigade Majority - He asked me was it not the
Revenue department he intended, I answered
yes - His Grace then promised me he would
speak to Mr. Elliott to take a note of it in
order that the first opportunity it might be done
