Dear Sir

Should any thing occur on Thursday
so as to make it impossible for me to be
honored with an audience on Saturday - will you
have the goodness to write me a line by Thursday
night, mail. I shall get it early enough on
Friday morning to prevent my coming to Town.
- if I do not find a letter from you on Friday morning
I shall proceed to town & attend His R^{ty} the
Prince Regent's Command, on Saturday forenoon
at 11 o'clock & bring the plan with me.

I have the honor to be

Dear Sir

your most obliged

and most faithful servant
