C. Manners Sutton

Springton

Wednesday Night

Sept. 21st 1811

My dear General

I am extremely obliged by your kind and rapid answer to my letter, and hope it will suit His Royal Highness's convenience to see me either Tuesday the 17th or Wednesday the 18th — I fear, if the Duke should not return till Saturday, it will be impracticable for me to leave in time to be at Carlton House on Monday the 16th — either of the other days

however would suit me admirably —

I shall wait in anxious expectation of another letter from you and remain Dear General

Yours faithfully
Henry Manners Sutton
