Maith, Kilkenny:
Sept. 13th 1811.

Dear Mr. Mahon

By two letters which Sir W^m
Manners has confidentially written to me respect-
ing the future Seats at Rochester (which letters were
immediately returned by his express desire) I am pla-
ced in a situation of extreme delicacy. Sir William
informs me that he is inclined to continue the pre-
sent Representatives on reasonable Terms, if I will
undertake to lay before His Royal Highness certain
conditions which he will then communicate. I dare
not of myself presume to do anything: pray collect
what answer I should return. Sir William prefers

for a reply. I cannot understand why he did not
write to you on the Subject.

I beg you will offer to Our Illustrious Friend &
Master my most humble respects & duty.

With great regard

Sincerely Yours
W. Taylor.
