Tuesday
Monday Morning

My dear General

I have this morning arrived in
Town, earnestly hoping H. Q. H.
The Prince Regent will be graciously
pleased to give me an audience
Tomorrow. —

I was obliged to set out from Brighton
very early yesterday morning, before the
Sun came in; and having travelled
all night without stopping I was not
enabled to look in any Newspaper
account of H. Q. H.'s movements. —

If I succeed in getting my machines
tomorrow I shall leave Torr early
in the morning, unless some business
shall prevent me. Which at present I
have no reason to anticipate.

My dear friend

Yrs most faithfully

C. Harrison Letter
