

Lord Morpeth
Sept 22. 1811

18591

Private

My dear Sir, I Lear this morning
the honor of receiving your kind communication
of the gracious notice which the Prince Regent
was pleased to take of the letters that I
took the liberty of addressing to him -

You will perhaps have the goodness to
convey to his Royal Highness my very grateful
acknowledgments, & my humble respects

I believe me dear Sir
with great truth

Castle Newcast

Very sincerely yours

Morpeth
