

C. Colman to Col. Mc Mahon

18656

7th Oct. 1844. at
4. Melina Place, West. Road.

My Dear Sir

I know not how to
express my thanks to you for the very
kind & friendly readiness you have shown
(as Mr Winton has explain'd to me) on
the subject of the Memorial. — If
I could possibly have an interview with
you previously to my having any intercourse
with the Winter Managers, according to
the suggestion of the Prince Regent, it
would relieve me from much difficulty,
& tend much to the clearance of any
propositions which I might submit to
them, — for, at present, I am somewhat
at a loss to know what those propositions
should specifically be, till I have minutely
gather'd from you all that His Royal
Highness has said. — You have given
me so much encouragement to come
begging to you, that you have drawn upon

yourself one more request; - namely,
that you would have the charity to favour
me with a call, as I am unable to wait
upon you. It would much expedite
any thing that may be done for my interests,
and save a world of time in making
arrangements. On any morning after two
o'clock I shall be happy to see you.

I am sure you will excuse the liberty
which I have taken. - Adieu &

again, except my best thanks, &

believe me, my dear Sir,

truly & gratefully yours,

J. Colman
