Sir,

I learnt, upon coming from
the West of Kent to day when I
saw the newspapers, that His
Royal Highness the Prince of Wales
was going to see the Troops at
Chatham & at Canterbury. - If such
report should be true - I should be
much obliged to you if you would
inform me of his Royal Highness's
intended progress, as I should feel

as well
most anxious for my public situation
in this county & on every other
account that the Prince Regent
should not pass & repass thro
the county without my having the
opportunity of paying my respects
to him. I shall be much obliged
to you to inform me of his Royal
Highness's intentions & that you would
consider this communication as entirely
