My dear Mr. Torrens.

I have sent you  
an ostensible letter respecting  
Sir John Gordon. But I wish  
to explain privately that the  
Duke has had a conversation  
with the Prince Agent respecting  
this Gent<sup>l</sup> of whose character  
he is assured that neither His  
Royal Highness nor yourself  
could have been aware.  
In fact the Duke says that Sir  
Col. Mr. Torrens

Sir John is nothing short of  
a complete swindler - & the  
discreditable line of life which  
he has been engaged in several  
years back would of itself  
render <sup>him</sup> a subject entirely  
unworthy of the Prince Regent's  
protection. I need not enlarge  
upon this subject as there has  
been a personal communication  
between the Prince Regent &  
the Duke of York.

Y<sup>rs</sup> by O. Graham

Most Sincerely

O. Graham
