Mr. Peel presents his Compliments to Colonel  
Gen. Mahon and takes the liberty of acquainting  
him that it is desirable that the enclosed  
Instrument should be returned to the Office at  
as early a period as is consistent with His  
Royal Highness the Prince Regent's convenience,  
as General Browning is only detained in this  
Country until the Charter of Justice for Ceylon  
has passed through the usual forms
