Dear Sir

I understand from Mr. Pugh
officer that the instrument approving
Mr. Pugh the Lord Justice Clerk has
been forwarded to the Lord Justice
Clerk's Secretary - as the Term is
approaching, & the business of the Court
requires ~~that~~ steps to be taken by the
Justice Clerk almost immediately, it
would be a great convenience if you
would be so good as to take the earliest
opportunity of submitting the Instrument
Yours truly
J. L. Turner

This Request being for Special, and
