Whitehall Oct 28-1811

Mr Ryder presents his compliments to Maj: Gen: Turner, and encloses to him the two Warrants which he mentioned to him on Saturday last, as those which the Prime Minister had been graciously pleased to say that U. K. G. would sign as soon as they were in readiness to be laid before U. K. G.

Mr Ryder will be much obliged to Mr Gen: Turner to take the earliest opportunity of laying them before U. K. G.
