Count Münster to Kaj. Gen. Turner

Dec. 5 1811

18886

Count Münster to Gen. Turner

Count Münster presents
his compliments to General
Turner and has the honor to
inform him that he has sent
the Duke of Brunswick's memoirs
with his observations on the
subject in a box directed
to The Prince.

C. Münster would be gratified
to be obliged to the General
if he would inform him if
H. H. is likely to come to
Lyon before Sunday?

Thursday Dec. 11.
