M<sup>rs</sup> Duffer  
Widow of Gen<sup>l</sup> Del'Hoste

18973

Lord Palmerston presents his  
Compliments to General Turner, and begs  
to inform him, with reference to the Petition of  
M<sup>rs</sup> Duffer to His Royal Highness The Prince Regent,  
that the only way in which it is practicable to  
afford relief to M<sup>rs</sup> Duffer out of the Funds  
under the direction of the War Office, is to  
augment the Allowances granted to the  
Children of the late General Del'Hoste on the  
Compassionate list; and it is accordingly  
Lord Palmerston's intention to make up  
their Allowances to twentyone pounds each,  
in the list for 1812, which is now preparing.
